"Synergy has shown me a great deal about how something as simple as empowering youth as a mentor can have a lasting effect. I have watched the youth become confident individuals who have taken life skills learnt through Synergy programs and become leaders in their own aspects. Synergy has become an organization that I hope to take part in for years to come."

- Synergy Volunteer Mentor

Synergy is about helping youth and community groups in Chestermere, Langdon and SE Rocky view grow, connect, and thrive. We build strong relationships, foster leadership, and support wellness through inclusive programs, from mentorship and volunteer opportunities to barrier-free counselling and leadership training.

When you support Synergy, you're investing in the future of Chestermere, strengthening our whole community and giving young people the skills and opportunities they need to succeed. We'd love to have you join us in making that vision a reality.
